

Hi Everyone

Hope you've all been enjoying this fab weather over the past few weeks - Spring has finally sprung!

New 6-week Beginners Rock & Roll American Jive course

I believe we're one of very few schools in the area teaching authentic Rock & Roll Jive, so if you enjoy going to band nights but don't feel you know what you're doing on the dance floor, or feel you're a bit 'rusty' come and join our new course starting 8.30-9.30pm this Thursday 23 April at Stratfield Saye (between Reading and Basingstoke about 5 mins from the A33). You don't need a partner as we move people round during the class, so come on your own or with friends. £9 PAYG or £45 prepaid for 6 weeks (6 for the price of 5) - and your vouchers are valid till they're used up, so if you have to miss a week, just add another on the end.

Saturday morning Strictly Dancercise class

As the weather has been getting better and people are going away for the weekend, or starting decorating and gardening projects, we've been struggling for numbers on a Saturday morning. So this class will now take a break until the autumn, Saturday morning classes will be back in September. But don't forget you can still get your weekly fix of Strictly Dancercise Wednesdays 6.30pm at Westside Community Centre in Basingstoke - £5 per person and no need to pre-book after your first session.

Prepaid Vouchers

Lots of you use the voucher system to get your discounted 6 for the price of 5 Rock & Roll sessions. Don't forget that once you've done your basic course, you can drop in to classes 1 and/or 2 any time and learn more standalone moves. If you've still got unused vouchers, do come along and use them up - after all you've paid for your classes already - and if you've lost the physical vouchers, drop me a line as I do keep records (believe it or not!) and can verify how many you've got left.

No classes 07 May

As if we weren't fed up with the election already, no classes on 07 May as the hall is in use for a polling station, but back as usual on 14 May.

Private Lessons & Wedding Lessons

Wedding Season is now in full swing with lots of happy couples learning to dance to their favourite 'Our Song' - to date I've choreographed allsorts from heavy metal to traditional Turkish music, bhangra and the usual pop ballads! As Saturday mornings have been freed up from the public Dancercise classes for the next few months, I now have some extra slots available for Private Lessons or Wedding Lessons on a Saturday morning in Tadley. I also have a few slots available in Burghfield on Sundays late afternoons & early evenings for private lessons - lessons are a flat fee of £40 for a one-hour slot and I can take groups of up to 6 people in each session. You can use your private lessons to learn from scratch, add extra moves, do advanced figures or learn other styles of dance such as ballroom & latin. You'll generally learn

2-3 times as much as you do in a public class, so it's actually a very cost effective way to learn, especially if you can get a few friends together to share the costs. Drop me a line if you'd like to book a slot.

Facebook

Congratulations to the lucky winners from our last competition on facebook - Kerry & Rod won free places for 6 weeks, and 3 runners up Sarah & Tony, Susan, and Theresa & Paul won BOGOFs for 6 weeks.

Do Like us on facebook as there will be more competitions and prizes during the rest of the year that are only available on facebook - if you haven't used facebook before you may not realise that you can set your profile privacy so that only your friends can access your details - I can help you with your registration if you need.
